BODY SCRUB

Coconut Body Scrub

50 min THB 1,900

Freshly grated local coconut is mixed with rich moisturizing natural product. To exfoliate the whole body, body scrub is the best way. It helps to remove dead skin flakes from the skin as well as expose fresh smooth new skin layer, recommend especially for dry skin.

Coffee Body Scrub

50 min THB 1,900

This rich aromatic scrub made with a blend of finely ground coffee and rice powder, scented with pandan and kaffir lime, will smoothen your skin and elevate your mood. The experience concludes with a tomato conditioner to nourish your skin.

Spice & Shine Body Glaze

50 min THB 1,900

Tamarind is the main ingredient that encourages glowing skin, revealing the diva in you. It aids in shedding your dull exterior with this calming exfoliating blend that brightens thus adding plenty of vitamins and zest for a younger and vibrant looking skin.

Sea Salt Body Scrub

50 min THB 1,900

This deep exfoliating treatment blends mineral rich sea salt with rose water. Applied using small circular strokes, it removes dead skin cells, improves circulation, helps eliminate toxins and moisturizes the skin. Conclude with a shower and emerge with softer and more radiant skin.

After Sun Relief Body Wrap

60 min THB 1,900

This treatment has been specially designed to help relieve the damaged skin with the purest essential oil compress and aloe vera is applied to the body to moisturize.

Sea Mud Wrap

60 min THB 1,900

All the benefits of the sea are contained in this unique full body mask. It helps to detoxify and stimulate the skin while encouraging cellular metabolism. The rich mineral mask will tone the body and improve the skin elasticity and firmness. It is also effective for countering fluid retention.
