

JOIN ON DAY TRIP (SPECIAL GIANT FISH)

We offer top fishing equipment like Penn, international Shimano, and Daiwa. Our program is offered longer than anywhere else. This morning trip starts by going out catching the fingerlings or baits for fishing sailfish, black marlin, wahoo, king mackerel, tuna, dorado, barracuda and etc. We do not offer bottom fishing, which we will not lose time to catch small fish. That's because we are professional and will lead you to catch giant fish around Racha Island and drop off. This area offers you wide range of species of game fish.
